## R Markdown

The cat ran over **the** dog.

- Hello
- Hello 2
- Hello 3

RowName	GeneName	Test
a	b	c

Load libraries I need for the analysis

```
library(gplots)
```

```
##  
## Attaching package: 'gplots'  
## The following object is masked from 'package:stats':  
##  
##      lowess
```

## Make a little plot

Plot the *iris* data

```
plot(iris)
```
